

Mini

Chipping Hammers

Introducing the new AA-0S & G-5R Chipping Hammers.

TOKU AA-0S & G-5R Chipping Hammers are *heavy duty* tools designed for the most demanding light-medium duty applications in foundries, shipyards, demolition and fabrication.

- Light weight, allows workers to be more productive.
- Precision valve allows excellent control.
- Excellent for use around rebar.
- Lower noise levels.
- Great for overhead work.

AA-0S

\$712.70

Specifications:
